ORACLE

FORWARD

Toward the production of this annual, the Oracle, each Senior has helped in some way. With the assistance of our class sponsor, this annual has been a class project financed by the class treasury.

The purpose of this annual is to furnish a record of our activities and to give the history of our four years in high school. To make the Oracle more attractive, pictures of individuals, classes, and groups have been added. We greatly appreciate the help and advice given us by the members of the faculty.

The merchants in this and neighboring communities have purchased advertising. We appreciate their support which has lowered our cost of production.

We hope that this annual will be an interesting, enjoyable, and enduring memory.

ADMINISTRATION

The twenty-fourth commencement program of Buckley Community High School which will see this year's senior class graduate, is unique in many ways. The school has achieved the highest possible ranking by all accrediting agencies in the United States. Included in this evaluation of our school we have the opinion of the North Central Association of Secondary Schools and Colleges, the State Department of Education, and the University of Illinois. This condition is entirely wholesome and credit must go to the people of this community, the school board, the faculty, and the student body. Without the wholehearted support of these groups, such a record would be impossible.

The graduating class has enjoyed attending an institution which meets all the requirements for college entrance. In addition to qualifying students for college entrance, certain other fields may be pursued. World conditions today demand people who contribute toward the cause of victory on the home front. Our seniors may, if they wish, assume their place in the scheme of things immediately upon graduation. There will be no long waiting periods for employment. With the training obtained during their four-year period, many of the graduates should find a place where they can contribute to an ultimate victory. The forces of democracy will not be denied.

We sincerely believe that through education on a liberal basis, some of the ills of the world can be remedied. It shall be the aim of the administration of Buckley Community High School to contribute in anyway whatsoever, toward the education of the youth of this community. There is no substitute for education--it will be needed more than ever before during the ensuing years.

SENIOR CLASS HISTORY

When the class of 1942 started its Freshman year it consisted of the following twenty-six members: Merton Balk, Irene Blanck, Betty Carley, Belter Coler, Laverne Dippel, Raymond Eanen, Janet Ernst, Frances Fox, Fern Inkster, Herbert Janssen, Robert Kelley, Vera Krumwiede, Wilfred Koschnick, Russel Martin, Wilbur Lietz, Marjorie Munsterman, Lillian Niemann, William Scharr, Virgil Schiewe, Arnold Schult, Wayne Schwartz, Reva Trusheim, Florence Wagner, Dorothy Wilkens, Mildred Weppeler, and Marvin Windhorn.

The class sponsor for the Freshman year was Miss Creamer.

Vera Krumwiede, Wilbur Lietz, and Virgil Schiewe quit school their Freshman year for various reasons.

The Board of Education gave a warmer roast for the student body in honor of the Freshmen at the beginning of the school year.

As part of the Christmas program, the class presented the play, "Grandfather's Christmas." Those in the play were Janet Ernst, Betty Carley, Fern Inkster, Mildred Weppeler, Robert Kelley, Wilfred Koschnick, Russel Martin, and Virgil Schiewe.

The play "Knappling Betty," was given as one of the four one-act plays. Those in this play were Janet Ernst, Marjorie Munsterman, Reva Trusheim, Mildred Weppeler, Marvin Windhorn, Robert Kelley, and Arnold Schult.

The four plays that were part of the county contest play were Janet Ernst, Fern Inkster, Mildred Weppeler, and Bob Kelley.

Almost all the class members were present at the all-school skating party and at the Freshman Class party.

The class also had an entertainment and display of interesting projects at the Halloween Festival.

The officers for the year were as follows: Robert Kelley, president; Wilfred Koschnick, Vice-president; Wayne Schwartz, Secretary; Laverne Dippel, Treasurer; Fern Inkster and Reva Trusheim student council members.

As there was no choice of subjects, everyone took English I, algebra, general business, and general science.

The class of '42, during its Sophomore year, lost three of its members. They were Dorothy Williams, Raymond Lannon, and LeVerne Lippel. Nadine Koddien, Ann Bradshaw, and James Edgar joined the class but James dropped out again a short while after he had started.

Again the class sponsor was Miss Creamer.

Almost all the class members were present at the all-school parties and at the winner roast given by the Board of Education in honor of the Freshmen.

The Sophomores' contribution to the four one-act plays was "The New Girl in Town." Those in the play were Marjorie Munstermon, Mildred Weppler, Arnold Schuldt, Robert Kelley, and Russel Martin.

"At the Stroke of Twelve" was given as part of the Halloween entertainment. Those in this play were Janet Ernst, Marjorie Munstermon, Fern Inkster, and Robert Kelley.

Marjorie Munstermon and Wayne Schwartz were in the cast of the play, "The Cat's Whiskers," given in the county contest.

The officers for the year were the following: Wilfred Koschnick, president; Wayne Schwartz, vice-president; Arnold Schuldt, secretary; Betty Carlier, treasurer; Fern Inkster and Robert Kelley, student council members.

As the class had failed to elect a historian for the Freshman year, Mildred Weppler was elected historian for both Freshman and Sophomore years.

The subjects that could be taken during the Sophomore year were; English II, Home Economics I, biology, world history and geometry.

Our grade and clerical Junior year started with twenty-one enrolled. Gerald Lubbe came from Woodstock, Illinois, joined our class at the beginning of the school year, but left us in sometime later. During the year we had the following members. Lillian Lillian left us so that we had only one member, Walter Swinstro,

and Wayne Schwartz moved to Chicago. Miss Griswold was the class sponsor.

Trusheim, historian; Betty Carley and Robert Kelley, student council members.

The following story is presented by the Jewlers on "A Week Trial." "When we were girls in this town, as they were busy and busy, we had a little story that was told. There was a little girl named Fanny, who was a Jewler's daughter, and she was very beautiful, and she was very kind. The Jewlers on the hill were very kind to her."

Some of the men will be along there and give their Junior year, will also wait till their Senior year.

The class sponsored an all-school masquerade party on November 4, 1966. Prizes were given for the best costume and to the best dancer. The party was held in the gymnasium. The activities for the evening was ping pong, shuffleboard, other games, and dancing. Refreshments of drinks and food were served.

At all home basketball games, the Junior girls sold candy, pop, and pop corn.

The Juniors' contribution to the four one-act plays was "The Professor Bores." Those in the play were Betty Carley, Beva Graubert, Fannie Inkster, Bill and Charlie, and Russell Martin.

One of the most important ventures of our Junior year was our "Watch Out for Snooks." Mrs. Deffner directed the play and the cast was as follows: Sam, Harry Corley; Vera, Irene; Leonard, Lois; Madeline, Edith; Aunt, Mrs. Everett; Peter, Harry; Helen, Mary; Hollyhock, Mary; Snooks, Robert; Uncle, Robert; Aunt, Ann Eradshaw; Aunt Milly, Frances Fox.

In between acts, stars were introduced. "Lillian Russell" and Arnold Schultz presented "The Girl Who Came to Supper," and Leonid Kaseyev and Mary Schwartz presented "Overture Night."

To us the most exciting event of the school year was the
junior-senior banquet held at the Innan Hotel in Phoenix. Tho
ugh consisted of two meetings: fruit cocktail, vocal solos,

spiced, each, au gratin potatoes, buttered asparagus tips, 1 ring
cald, hot rolls, butter, fresh strawberry sauce, cake, 1.1 cold
tea.

The toastmaster for the evening was none other than Alfred Koschnick.

The following are the names in the order in which they occurred were: Wilson, William; Deacon, Albert; Deane, Mr. F. H.; Miller, Robert; Valley, Clara; Betty Corley.

As the Dutch theme was used throughout, the table decoration was tallies, fairs, and mills, and the cut glass were little Dutch houses. The printed program books were light blue, and on the cover of each book was the picture of a Dutch boy, a Dutch girl, and a windmill printed in silver. Either a little blue or a white pencil was attached to each book. Each person at the banquet was given a pink carnation to wear as a corsage.

This year our contribution to the "Fellowship" was a little different in nature. We presented a "Transformation Act" in which old cells were transformed into lovely young ladies, so small,

studious young man was transformed into a husky young baseball player, and a stooped old man was turned into a lacy by mistake. Those in this set were Irene Branch, Betty Varley, Janet Ernst, Fern Inkster, Ann Bradshaw, William Mueller, Herbert Jansson, Robert Kelley, Marvin Tindhorn, Lerton Falk, and Wilfred Koschick.

We bought a Red Cross membership giving us a perfect record for we bought one each of our four years in high school.

This year our light and busy job was putting out this annual. It was a lot of work but it really was but we enjoyed it.

During the first few weeks of school, we had to decide upon many cards, invitations, class cards, diplomas, class flowers, class colors, and a motto. At first we thought the school was anxious to get rid of us, but later we found that our orders had to be in early due to a shortage of paper and other supplies, and the faculty wanted to be sure that we graduated with all the "trimmings."

Several of the senior girls helped plan the entertainment for the Christmas party. Three senior girls were also on the committee for planning the Junior High Christmas party.

At the beginning of the school year, the class decided to take a longer and more extensive vacation than usual, but because of the time shortage and the fact that the trip will be somewhat modified.

The senior play, "The Comedy," is a three act farce by Howard Need.

The play takes place on the terrace of Crestview Hotel, a summer resort in the Catskills, on a summer day.

Nora is offered the job of posing as the rich daughter of a maple syrup king. Her job is to help land an important customer, and the important customer turns out to be a Mr. Gibson, who fired Nora from her previous job because his son fell in love with her. To Nora, revenge is sweet as maple syrup. Needless to say, Nora lands her man and he pays in colossal suffering, until by the final curtain he is ready to welcome Nora into the family even if she isn't in the Social Register.

CLASS PROPHECY

As everyone knows, a census is taken every ten years. A member of the graduating class of 1942 of Buckley High was one of the census takers in 1960. His name was Ezekiel Losey and he made it a point to see all of his former classmates. Of course he found out a few more things than most census takers do, and we are going to let you in on them.

Marvin Winchorn is breaking Wilfred Hexler's record for trick basketball shots. He is touring mainly in Minnesota and most of his admirers are of the fairer sex.

Mildred Verplanck is the Dean of Women at Vassar College. She is happily married to the professor of history and they spend their evenings arguing about the Civil War.

Florence Warner is the proprietor of the "Flossie Fluffy Frier Chicken Farm." She has discovered hybrid chickens.

Rosa Trumbull is a happy housewife living on a farm near Cissna Park. She teaches public speaking in her spare time.

Arnold Schuldt is married to Ann Bradshaw. They are the proprietors of the former "Wells' Cafeteria," but now it is called "Annie's and Arnie's Sweet Shoppe." The prosperous couple lives above the shop, and they have a nursemaid to care for their twins, Biff and Buff.

Russell Martin is the second Arthur Murray. He teaches dancing at the "Grand Ball Room" in Chatsworth. The "Jolly Sailors" are the featured orchestra.

Wilfred Koschnich is our representative in Congress. He is chairman of the committee for the disposal of waste paper.

Bob Kelley is now a famous hair stylist. He designs most of Janet Ernst's hair styles. Janet, now known as Rosie McDale, has the leading role opposite Huey Long. She lives in Honky Tonk Lane in Los Angeles.

Herbert Janssen is a jockey for Bill Crosby's horses. In his spare time, he runs a Lonely Hearts' Club. He does this because he was lucky enough to get himself a wife through this club.

Ferne Inkster is the star reporter on the "New York Times." She also writes the "Advice to the Bachelors" column. She says that love is the spice of life if you use the right spice. She is still looking for a millionaire.

Frances Fox operates a dairy. After five years of experimentation she now has a herd of cows which produce malted milk.

Delmer Ecker runs a taxi dance hall in Wapakoneta, Ohio. He is married to Helva Miller, his featured dancer.

Betty Carley was disappointed in love, so she is a tennis champion. At the present time she is touring Australia.

Irene Blanck runs the "Crazzy Super Deluxe Skating Rink." She has cake walks every other night. Miss Griswold bakes the cakes.

Merton Belk is professor of child psychology at Leland Stanford University. He is writing a book now, entitled, "Have You a Problem Child?"

When Mr. Heller left Buckley on April 10, he went to Scott Field, Belleville, Illinois, to take teacher training in radio work. The Reverend Galtner took his place for two weeks, and then Mr. Paul of Patrickburg, Indiana, came to finish the school term.

Mr. Holt received his A. B. degree at Wabash College, and took graduate work at Indiana University. He came to Buckley after teaching at Patrickburg for three years. He teaches physics, mathematics, and physical education.

YOUR'RE GRADUATING!
by Mildred Weppler

Now if you want to graduate from high school,
You must have sixteen credits when you're through,
And even if you study just a little,
Well, that should be an easy thing to do.

If you will study just a bit in school,
And work when you are present every day,
I think that you will all turn out all right,
And in the spring you'll graduate O. K.

Now first of all your Freshman year.
So hectic, flurried, and confusing!
Sometimes you think you'd like to cry,
When you're the one being seen absent.

The first year then in dear old high,
You had no subject choice whatever,
You take the subjects that you're told,
I'm sure that you'll forget them ever.

Those first year subjects you've forgotten,
So English, math, and general science,
And business training you have studied,
And out of class you pulled defiance.

But somehow time did pass so soon,
That first year seems now like a day.
Throughout the year were fun and laughter,
Some parties, games, a one-act play.

The Sophomore year went quickly, too.
This time your subjects you could choose.
Biology, home ec, and math,
History and Latin! That was news.

The Junior year, a busy one,
The year you gave your first big play.
The Junior-Senior banquet, too.
This great event took place in May.

That year there was variety,
Commercial, Latin, lit, and speech,
Home ec for all, and music, too,
All pupils chose four subjects each.

Your Senior year! how time does fly!
Two more semesters! You'll be through.
Your one big job's the Oracle.
There's work for each and all to do.

The subjects now are numerous,
Commercial, English, also civics.
Most all of us took music then,
And economics, Spanish, physics.

That last year, too, is so expensive,
To buy there's always something new.
A class ring, namecards, invitations,
And caps and gowns and pictures, too.

So all in all it's wonderful,
Four years that you will never forget;
Good times that you have had are many,
So are the friends that you have met.

Then you'll go on through life,
Through trouble and through strife.
You'll be able to take it,
For through high school you've made it.
You're a graduate of Buckley High!

FRESHMAN CLASS HISTORY

When school began September 2, 1941, there were twenty-two students in the Freshman Class. Seven of these were girls, and fifteen were boys.

The officers who were elected to serve the class are: Kenneth, president; Harold Luebchow, secretary-treasurer; Delmar Krumwiede, class historian; Lillian Engohausen and Robert Wepler, student council members. Miss Touhey is the class sponsor.

All the Freshmen take the same subjects which are: general science and algebra taught by Mr. Heller, English taught by Mrs. Definer, and general business taught by Miss Touhey.

Of the fifteen boys in the class, nine played basketball, and ten played baseball.

The Annual Freshmen Reception sponsored by the Board of Education was held in the gymnasium on September 12. The Senior Class was in charge of the entertainment, and each Freshman presented a stunt. If the stunt was not performed satisfactorily a penalty was paid. Each Freshman also repeated a pledge. Refreshments of ice cream and cake were served after the entertainment.

The Freshmen contributed entertainment and an interesting display of projects at the Halloween Festival. This included a fish pond, a brain teaser, a quiz, pitching for pennies, and a game for apples. The class also sold five cent chances on a drum which they awarded to the holder of the lucky number.

An all-school assembly on November 20 was sponsored by the Freshmen. The entertainment for the evening included dancing, ping pong, snooker, and other games. An admission of five cents was charged and refreshments of ice cream and cake were served.

SOPHOMORES

When we began our Sophomore year, we had seventeen members in our class. Maxine Martley, who transferred from Paxton, became a new member of our class and Robert Evenson and Wilbur Gieseler, who were with us our Freshman year, left our school before the first semester ended. Evelyn Reddish also dropped out. Mrs. Deffner is our sponsor.

Our class officers are: Virgil Scheiwe, president; Raymond Schuldt, vice-president; Anna Kaufmann, secretary-treasurer; Lloyd Inkster, historian; and Morgan and Myron Steinman, student council members.

To the Halloween entertainment we contributed a "Ghost Walk" which everyone seemed to enjoy.

Like the other classes, we bought a Red Cross membership.

Two of our members had serious accidents the first semester which caused them to miss quite a bit of school. Bill Carley shot his foot while hunting, and Myron Steinman fell from a hayrack while on a hayride.

JUNIORS

When we left the school after the first year, sixteen students none of our members had been in the school for a year. Several weeks after our departure, a letter was received from us, and William Copas from New York sent a notice of the second semester.

We elect the following class officers: Gladys Baker, president; Ralph Searap, vice-president; Viola Hilgendorf, secretary-treasurer; Winona Fox and Harold Rust, student council members; Edna Weber, historian.

One of the greater and most important events of the year to us was our Class play directed by Mrs. Daffner. The play, "Don't Darken My Door," was a comedy in three acts. Those in the cast were: Winona Fox, Marie Janssen, Edna Weber, Dorothy Krumwiede, Viola Hilgendorf, Ralph Stroup, Ervin Janssen, and Harold Rust.

To the Halloween entertainment contributed a medicine show. We also managed the food sale, and cleared a nice profit.

We also took charge of the candy sales at the basketball games.

The subjects from which we could make our selection were: English, History, Biology, Chemistry, Home Living, Home Economics, Civics, and Economics.

The Junior-Senior banquet was held at the Hialeah Hotel on May 16, 1941. Present were the faculty members, their husbands and wives, the students, and the audience. After the banquet, everyone either went to the dance or went home.

G. A. A. News

The first meeting of the G.A.A. was held on September 25, 1941, and there were twenty girls present. The following officers were elected: President, Frances Fox; vice-president, Ieva Frushel; secretary-treasurer, Janet Ernst.

On October 18, 1941, eight girls went to Fairbury to represent Buckley on Play Day.

A "Bill Hawkins' Day" party was sponsored by the G.A.A. on November 6, 1941. The principal and all faculty was invited, but everyone was requested to dress like one of the characters in the "Bill Abner" comic strip. After a "Bill Hawkins" chase, games and dancing were the evening's entertainment.

The G.A.A. had a pot luck supper in the home economics room before attending the Buckley-Tra-ville basketball game.

The girls began a Red Cross sewing project the second semester with the eighth period on Friday reserved for meetings.

The Vory was found his wife in tears when he returned from work.

"I've been insulted," she sobbed, "your mother insulted me."

"Why now could she do that?" he asked, "she's six hundred miles away."

"I know, but a letter came for you this morning, and I opened it."

"The postscript said: 'Dear Alice, don't forget to give this letter to George!'"

TO A SMALL BOY STANDING ON MY
SHOES WHILE I AM WEARING THEM

Let's straighten this out, my little man,
And reach an agreement if we can.
I entered your door as an honored guest.
My shoes are shined and my trousers are pressed,
And I won't stretch out and reel for the funnies
And I won't pretend that we're Easter bunnies.
If you must get somebody down on the floor,
What in the hock are your parents for?
I do not like the things that you say
And I hate the games that you want to play.
No matter how frightfully hard you try,
We're little in common, you and I.
The interest I take in my neighbor's nursery
Would have to grow, to be even cursory,
And I would that performing sons and nephews
Were carted away with the daily refuse,
And I hold that frolicsome daughters and nieces
Are ample excuse for breaking leases.
You may take sock at your daddy's tummy
Or climb all over your doting mummy,
But keep your attentions to me in check
Or, sonny boy, I will wring your neck.
A happier man today I'd be
Had someone wrung it ahead of me.

Steamtoller

An enterprising pastor, called
to a parish in a small Scotch
mining town, worked faithfully,
added many new members, and
finally build a new church. A
steam heating plant was put in,
and the little meeting house
seemed to be complete in every
way, except that it had no
bell. Members had given so lib-
erally that the pastor decided
to raise enough funds from out-
siders to buy a bell.

"To say ye ave a noo choorch?"
one hard-handed Scotch miner
replied to the pastor's appeal.

"Yes," said the pastor.

"An' noo ye want a bell for
it?"

"Yes."

"An' ye say the choorch is
'eated by steam?"

The Pastor nodded.

"Mon," said the miner, "wy
dunt ye put a whistle on it?"

SENT ON HIS FEET

The track supervisor received
the following note from one
of his foremen: "I'm sending
in the accident report on Ca-
sey's foot, which he struck
with the spile maul. Now, un-
der 'remarks' do you want
mine on Casey's?"

We Always Liked This One

Little Tommy had played
hard all day, and was very,
very tired when bedtime
came. Sleepily he started
his prayer, and his aston-
ished mother heard this:
"Now I lay me down to sleep.
"I pray the Lord my soul to
keep.

"The millers let him go,
"Eenie, Meenie, miny, mo."

Down to Hardpan

A mountain man who rarely,
if ever, visited a town of
any size, came to a city
with his son.

Climbing out of their car
on one of the main streets,
the old man appeared fas-
cinated by the pavement. He
scraped his feet on the
hard surface, and, turning
to his son, remarked:

"I don't scarcely blame
you for building a town
here. The ground is too
goldarned hard to plow,
anyhow."
